## Guadalupe House

Our historic Guadalupe House overlooks the old rectory doorway where St. Bernadette Soubirous on March 25, 1848, told Abbé Peyramale the name of the lady appearing to her in the Grotto: *"I am the Immaculate Conception."*

This spacious 5,000 square foot residence is well suited to meet the needs of the first American Lourdes Hospitality. Our private home is ideally located between the Grotto, the train station and town-center market.

Guadalupe House will be the private home to North American Lourdes Volunteers and guests.

## Future Amenities

Guadalupe House will accommodate up to 26 Lourdes Volunteers members offering:

- gracious outdoor courtyard
- formal living room
- gourmet kitchen with eating area
- formal dining room
- 8 bedroom with en-suite bathrooms
- 1 full bath and 2 half-baths
- spacious meeting room
- 2 laundry rooms
- office with modern technology

Juan Diego offers full private accommodations to our Priest Chaplains or two leadership members.

Recognizing the increasing need for an American presence in Lourdes, our home-away-from-home named for the Patroness of the Americas will be a welcome presence for Americans visiting Lourdes.

Offering familiar amenities to North American volunteers, special needs pilgrims and families, Guadalupe House will provide a comfortable and private family environment in Lourdes.

## Renovations

The Guadalupe House Project Committee was formed to evaluate different renovation options. Architectural measurements were taken and blueprints completed for Lourdes-French zoning application processes.

The charm and integrity of this mid-nineteenth century private home with six fireplaces was maintained throughout the planning processes. The plan includes handicapped-friendly access and safety standards on the ground floor.
